This training provides a brief overview of eCPR and exclusively designed for supervisory or management staff who oversee clinical/rehabilitative staff. It will address application of interventions relevant to assisting others through an emotional crisis. Various application strategies will be reviewed and promote effective ways to connect, empower and revitalize mental health consumers experiencing an emotional crisis.

TARGET AUDIENCE: Public Mental Health Workforce (Supervisor/Management Level)

OBJECTIVES: As a result of attending this training, participants should be able to:

1. Discuss the origins of eCPR, its public health primary prevention approach and use with individuals in the community experiencing emotional distress.
2. Recognize how eCPR comes from the lived experience of recovery by the developers and other programs such as Psychologist First Aid, Crisis Counseling and Trauma Informed Approaches.
3. Identify the concepts of Connecting, Empowering and Revitalizing.
4. Integrate training information by role playing the “reflective feedback” technique.
